

“meter manufacturer” includes a meter manufacturer’s dealers and agents.

(4) To transmit general information to all meter customers concerning rate and rate category changes implemented or proposed for implementation by the United States Postal Service.

(5) To advertise Postal Service services relating to the acceptance, processing and delivery of, or postage payment for, metered mail.

(6) To allow the Postal Service to communicate with USPS customers on products, services and other information otherwise available to USPS customers through traditional retail outlets.

(7) Any internal use by Postal Service personnel, including identification and monitoring activities relating to postage meters, provided that such use does not result in the disclosure of applicant information to any third party or will not enable any third party to use applicant information for its own purposes; except that the applicant information may be disclosed to other governmental agencies for law enforcement purposes as provided by law.

(8) Identification of authorized meter manufacturers or announcements of de-authorization of an authorized meter manufacturer, or provision of currently available public information, where an authorized meter manufacturer is identified.

(9) To promote and encourage the use of postage meters, including remotely set postage meters, as a form of postage payment, provided that the same information is provided to all meter customers, and no particular meter manufacturer will be recommended by the Postal Service.

(10) To contact meter customers in cases of revenue fraud or revenue security except that any meter customer suspected of fraud shall not be identified to other meter customers.

(11) Disclosure to a meter manufacturer of applicant information pertaining to that meter manufacturer’s customers that the Postal Service views as necessary to enable the Postal Service to carry out its duties and purposes.

(12) To transmit to a manufacturer all applicant and postage meter infor-

mation pertaining to that manufacturer’s customers and postage meters that may be necessary to permit such meter manufacturer to synchronize its computer meter database with information contained in the computer files of the Postal Service, including but not limited to computerized data that reside in Postal Service meter management databases.

(13) Subject to the conditions stated herein, to communicate in oral or written form with any or all applicants any information that the Postal Service views as necessary to enable the Postal Service to carry out its duties and purposes under part 501.
